

## So you want to be a sponsor for IMPACT?

We are so thankful that you are interested in helping with our teens on Wednesday nights at IMPACT. God has awesome things planned for this youth ministry and we are excited to see you taking the step to serve.

### Before we get ahead of ourselves...

A youth sponsor has some large time commitments throughout the school year. There is no such thing as a perfect youth pastor nor is there such thing as a perfect sponsor. We totally understand that life happens. So here is what we are looking for:

- at least 80% of all Wednesday night IMPACT from 6:00pm-8:15pm during the school year
- Regular Sunday morning attendance at Hope Christian Church or The District Church.
- at least one week in the summer for Junior High or Senior High camp or Youth Trip
- at least 3 special youth events (worship nights, lock-ins, weekend retreats, parties, etc.)

We simply want to give you an idea of what you are getting yourself into. There is some flexibility, but consistency is very important. Not because we need to meet a certain adult to student ratio or anything like that. Consistency, simply put, is one of the most important things to these students.

### So far so good?

The second big commitment is relationships. You have to truly love ministering to teens. God is calling you to serve and that is AMAZING! We love that you are wanting to be more involved, but you need to ask yourself...

“Why do I want to do this?”

And the answer needs to be,

“God has lead me to minister to teens by helping them learn to **Love God, Grow Together, and Serve Others**”

...or something along those lines.

### Get on with it already!

Ok, ok, ok. That was a lot of reading and you already know, “YES! I want to be a cool youth sponsor.” Guess what? You just completed the first step in the process. Congrats! Now all you need to do is contact Andrew Jansen, the youth pastor at Hope Christian Church and let him know you are ready to apply to be a part of this growing ministry.
