Matthew 22: 36-40

³⁹ And the second is like it: 'Love your neighbor as yourself.' ⁴⁰ All the Law and the Prophets hang on these two commandments." "Love God. Love People"

Live Generously

When Jesus said he came to give life and give it to the fullest; he was declaring the reality that the most satisfying, purposeful & fulfilling life was through Him! To live generously extends from the heart of God to the life of His Follower. It includes all of your treasures (time, talents, mind and money) and discovering the joy of living generously with what God has entrusted you! At Hope you will be invited to serve, you will be encouraged to give and challenged to become a blessing to those God brings within your circle of influence.

Why We Give

We encourage financial giving for a number of reasons:

- 1) it is part of surrendering your life to Jesus (where your heart is, there your treasure will be also).
- 2) Giving aids the relationship with God the Father in discovering his faithfulness.
- 3) Giving continues to cultivate a heart of gratitude that Jesus is creating.
- 4) Giving allows the heart to experience a deeper joy of sharing and freedom.

Our Mission

Our Mission is summed up to “Love God, Grow Together & Serve Others” This is drawn from the Greatest Commandments and the Great Commission; Love God with all that you are, love your neighbor as yourself and go help others become Christ followers. (Matthew 22:36-39 and Matthew 28:19-20)

Our Vision

Connect people to growing, life-changing relationship with Jesus Christ. Our vision is to create a church where people can experience God, connect in relationship with God and others, and respond to what God is doing.

Our Values

Love God

To discover that God is your Biggest Fan, that He desires and invites you to become a part of his family and that to begin that relationship is to say yes to Jesus.

Prayer Request

Grow Together

We acknowledge the reality that God created us for relationships. That life is a journey of discovery of the principles provided in His Word (The Bible), first for the primary relationship with Him and then for the practices that help us become a caring community of faith.

30-Day Study Guide Request

Serve Others

Service is a surprising activity that not only honors Jesus (put hands & feet to the declaration of your mouth saying yes to Jesus) but also increases your influence, re-enforces a community dynamic, aids to a sense of purpose & releases feelings of joy.
