Dream Again!
07-25-21

Warm Up: As a child, what did you want to do or be when you grew up?

Read: Gen 37:6-20

A1 When you read about these two dreams, who do you think they were really for?

2. Mark shared 5 dream truths from Joseph; 1) a dream can provide a future focal point but not provide the future journey, 2) Your dream won't be accepted or understood by everyone, no one else will be given your dream; don't immediately expect buy-in from others, 3) Divine Dreams do not eliminate hardship or heartache, but they will provide a lifeline for today, 4) When God implants a dream, your adversary will move to discourage & do whatever possible, so you never realize your dream and 5) Dreams don't take much time to become reality compared to the time it takes to develop you for realities of the dream. Which truth have you experienced personally?

3. What truth has helped you carry on?

4. What is one dream that you have had?

5. What happened to your dream? Where is that dream now?

6. What do you think God wants you to dream again about?
