

## NOTES

### **[Rock'em Sock'em Robots]**

This game is based on a fight, a struggle – victory comes if you don't lose your head! 😊

### **[Struggles or Trials]**

Struggles and Trials change us!

Sometimes they are annoying uncomfortable interruptions and other times stressful heart-wrenching explosions into your life.

No matter how they arrive, at the moment – nobody enjoys struggles.

### **[Romans 12:1-2; The Message]**

So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering. Embracing what God does for you is the best thing you can do for him. Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you.

### **[Give Your Life as an Offering to God]**

Not just the Sunday morning, 1 hour Faith Group, & 8:10 prayer moments but your "sleeping, eating, going-to-work (to-school) & walking-around life"

### **[Focus Your Attention on God]**

Be mindful how this world is wanting you to accept and think; it's intention is not to please God!

### **[God is interested in bringing out the Best in You; developing in you a Mature Faith]**

### **[God will use Your Struggles to become steps for your Success]**
