Dirty Water Warning!

6-30-24

Warm Up: Did you grow up with a garden? What was it like?

- A1. What was one situation from your past that you now realized you let the wrong person influence you?
2. What did you learn – even if later upon reflection?
3. What makes people so vulnerable in trusting others?
4. Read 1 Corinthians 15:32-33. What life insight does this passage provide?
5. Relative to people being allowed/invited into your life - what filters are beneficial in determining who's in your circle and what amount of access they should be allowed?
6. How does Trust play into the struggle? Is trust something you have given or is it something someone must earn?
7. Which becomes more important – the moment and the experience or the destination and personal development?

Dirty Water Warning!

You're encouraged to write what God brings to you during today's message.

Word for The Week (NLT)

³³ Don't be fooled by those who say such things, for "bad company corrupts good character." ³⁴ Think carefully about what is right, and stop sinning.

1 Corinthians 15:33-34

¹⁸ Stop deceiving yourselves. If you think you are wise by this world's standards, you need to become a fool to be truly wise. ¹⁹ For the wisdom of this world is foolishness to God. **1 Corinthians 3:18-19**

...²¹ but test everything that is said. Hold on to what is good. ²² Stay away from every kind of evil.

1 Thessalonians 5:21-22

Let those who are wise understand these things. Let those with discernment listen carefully. The paths of the Lord are true and right, and righteous people live by walking in them. But in those paths sinners stumble and fall.

Hosea 14:9
